

Save Time & Hassle Switch to Castle

Enjoy a simpler way of doing things. From day one, we make buying business water stress-free. Switching is easy. We manage your transfer and keep you updated every step of the way.

6 great reasons to switch to Castle Water

- ✓ Competitive prices
- ✓ Tailored customer service
- ✓ Dedicated account management
- ✓ Flexible payment plans
- ✓ Help to recover historic over-payments
- ✓ Support to improve water efficiency

Castle Water is the UK's largest independent business water retailer. From Lerwick to Portsmouth, we have the scale and reach to support customers nationwide.

Our Affinity Partnership with NFUS offers members low prices and a service tailored to the needs of farmers. Our offer is simple: Switch from Business Stream or your current supplier to Castle Water, and enjoy your unique NFUS discounted tariff.

You'll find our service terms to be short, fair, and simple. We guarantee no price rises above inflation for the length of your contract. And our expert advice is always on tap - so you can be sure to make the right choices for your business.
